LANCASTER COUNTY BOARD OF ZONING APPEALS

VARIANCE APPLICATION - FORM #3

Date Filed: 4-4-16 Application No. BZA-016-008

1. Applicant(s) hereby appeals to the Lancaster County Board of Zoning Appeals for a variance from the strict application to the property described in the General Information (Form #1) of the following provisions of the Lancaster County Unified Development Ordinance: Setback Requirements so that a zoning permit may be issued or permission granted to allow the use of the property described as follows: to construct a 30 x 40 Open Picnic Shelter for Disabilities & special needs workers for which a permit or permission has been denied by the zoning official on the grounds that the proposal would not comply with the specific requirements of the cited section(s) of the Lancaster County Unified Development Ordinance.

(2) The application of the ordinance will result in unnecessary hardship and the standards for a variance as set by South Carolina Law and the Lancaster County Unified Development Ordinance are met by the following facts:

a) There are extraordinary and exceptional conditions pertaining to the particular piece of property as follows: The building is very close to the right side - rear property line & parking & unloading area on the left side - canopy to protect entrance on front - no where else to put building

b) These conditions do not generally apply to other property in the vicinity as shown by: See Aerial photo - Practically all other buildings fronting this section of Camp Rd are much deeper than this lot - this building was built in 1989 before Lancaster County's 1st zoning ordinance

c) Because of these conditions, the application of the Lancaster County Unified Development Ordinance to the particular piece of property would prohibit or unreasonably restrict the utilization of the property as follows: no where at all to place this shelter except one place on the lot

no setbacks in 1989

d) The granting of the variance will not be of substantial detriment to adjacent property or to the public good, and the character of the district will not be compromised by the granting of the variance for the following reasons: No residences close to this property - zoning has never had a complaint on this property

The following documents are hereby submitted in support of this application: plat, aerial photo,

Upon completion of your Application, sign the statement below, and return it along with your application by the due date. A copy of this acknowledgment will be attached with your application for our records.

I, Steph. O. McVicker, have signed that I am aware of the Zoning Board of Appeals hearing date.

5-10-16 (Hearing Date)

I understand that I will be asked to speak on behalf of my request and that I, or a representative will need to be in attendance. If for some reason I or a representative will not be able to attend the scheduled meeting, I must request a deferral to another date, or withdraw my application, if I do not want my application considered by the Zoning Board of Appeals.

I acknowledge that failure to attend the meeting does not result in my application being automatically deferred to the next month. The zoning Board of Appeals will still hold the hearing on my request and can take any form of action, including denial. Should my request be denied, I will not be permitted to resubmit the request to the Zoning Board of Appeals for a period of six months, unless conditions have changed substantially and the Zoning Board of Appeals votes unanimously to rehear the matter.
