*"The purpose of the Health & Wellness Commission is to serve as an advisory body to Lancaster County Council and as coordinating and educational body for the people of Lancaster County in matters concerned with health and well-being of the community. They try to identify health issues in the county, to coordinate existing services and/or establishment of additional services or programs to meet those needs."*

*Anyone requiring special services to attend this meeting should contact 285-1565 at least 24 hours in advance of this meeting.*
