VA to Offer Routine Eye and Ear

Appointments without Primary Care Referral

Veterans receiving care at VA Medical Centers will now be able to schedule routine ear and eye appointments at local VA Audiology and Optometry clinics without a primary care referral.

Before now, veterans seeking appointments with audiologists or optometrists had to first make an appointment with a primary care physician for a referral for a routine clinic consult visit. A clinic representative would contact the patient to set up the consult appointment, which could result in a several weeks'-long lag between the appointment and when the veteran was actually seen.

The new process, the Audiology and Optometry Direct Scheduling Initiative, which began as a successful pilot at three sites in 2015, is being expanded to all VA Medical Centers.

The Audiology and Optometry Direct Scheduling Initiative is expected to be fully operational within all VA Medical Centers by the end of 2016.

- Oct 11 — IL-AL @ 7:00pm
- Oct 22 — IL-VFW meeting

Local Veteran Service Organizations

Highlighting the Marine Corps League

The Marine Corps League perpetuates the traditions and spirit of ALL Marines and Navy FMF Corpsmen, who proudly wear or who have worn the eagle, globe and anchor of the Corps. It takes great pride in crediting its founding in 1923 to World War I hero, then Major General Commandant John A. Lejeune. It takes equal pride in its Federal Charter, approved by An Act of the Seventy-Fifth Congress of the United States of America and signed and approved by President Franklin D. Roosevelt on August 4, 1937. The League is the only Federally Chartered Marine Corps related veterans organization in the country. Since its earliest days, the Marine Corps League has enjoyed the support and encouragement of the active duty and Reserve establishments of the U. S. Marine Corps. Today, the League boasts a membership of more than 76,000 men and women, officer and enlisted, active duty, Reserve Marines, honorably discharged Marine Veterans and qualified Navy FMF Corpsmen and is one of the few

Veterans Organizations that experiences increases in its membership each year.

The Marine Corps League is headed by an elected National Commandant, with 14 elected National Staff Officers who serve as trustees. The National Board of Trustees coordinates the efforts of 49 department, or state, entities and the activities of over 1100 community-based detachments located throughout the United States and overseas. The day-to-day operations of the League are under the control of the National Executive Director with the responsibility for the management and direction of all programs, activities, and affairs of the Marine Corps League as well as supervising the National Headquarters staff.

The prime authority of the League is derived from its Congressional charter and from its annual National Convention held each August in different major U.S. cities throughout the nation. It is a not-for-profit

organization within the provisions of the Internal Revenue Service Code 501(c) (4), with a special group exemption letter which allows for contributions to the Marine Corps League, its Auxiliary and subsidiary units, to be tax deductible by the donor.
