Memo: Lancaster County RFP No. 400200116 [Detention Center Cameras]
From: Cathy McDaniel, Procurement Director
Subject: Addendum No. 4
Date: January 27, 2020

Following the pre-bid meeting, Aiphone has confirmed that the intercom system specified within the RFP will not function as required. Aiphone has expressed concerns regarding a 20-count unit limit imposed by the originally proposed system and has also communicated reservations regarding the ability of their systems to integrate with third-party HMI and PLC systems. Because of Aiphone's concerns regarding the functionality of the originally proposed system, Lancaster has removed the hard specifications surrounding the RFP's intercom requirements, effectively removing Aiphone as the required manufacturer for intercom proposals.

To accommodate the change in the RFP's scope, the proposal deadline has been extended to February 4th, 2019 @ 3:00 PM.

Please note these changes and contact me at cdmcdaniel@lancastersc.net if you have any questions.
