1.0 Overview

1.1 Intent

The County of Lancaster, South Carolina ("County") is requesting sealed Offers from qualified firms ("Vendor(s)") for the following: **LIBRARY RENOVATION SHELVING; Solicitation No. 400200312-1**. Offers shall be received by Lancaster County Procurement, located at 101 N. Main St., Lancaster, South Carolina 29720, until **3:30 PM ON Thursday, March 12, 2020** and all Offers to this solicitation shall be publicly announced by reading thereafter. Responses to this solicitation will be used to determine which Vendor is capable of performing this solicitation's scope of work in a manner determined to best meet the needs of the County for this individual solicitation.

It is the intent and purpose of the County that this solicitation permits competition. It is the responsibility of the Vendors to advise the County if any language, specifications or requirements, or any combination thereof, inadvertently limits the competition in this solicitation to a single source. If any language, specifications, terms and conditions, or any combination thereof restricts or limits the requirements in this solicitation to a single source, it shall be the responsibility of the interested Vendor to notify the Procurement Department in writing within seven (7) days prior to the opening date. The solicitation may or may not be changed but a review of such notification will be made.

Each Offer must meet all terms, conditions, and specifications of this solicitation in order to obtain contract award. By virtue of submission, Vendor acknowledges agreement and acceptance of all provisions except as those expressly consented in this solicitation. Non-substantial deviations may be considered, provided Vendor submits a full explanation and justification of proposed deviations. Whether any such proposed deviation is deemed non-substantial will be determined by the County in its sole discretion.

Each Vendor shall fully acquaint themselves with conditions relating to the scope and restrictions attending the execution of work under the conditions of this solicitation. It is expected that this may sometimes require on-site observations. The failure or omission of a Vendor to acquaint themselves with existing conditions shall in no way relieve them of any obligation with respect to this Offer or to eventual contract.

It is the intent and purpose of this solicitation to give equal consideration to all Offers. Evaluations of each submission will also factor expertise, experience, capabilities, and references into any consideration of award.

Lastly, to ensure the integrity of the competitive process, all Vendors must avoid contacting any County employees, public officials, or other individuals other than the person(s) listed in this document, either directly or indirectly.

1.2 Award of Contract

On the designated date and time listed on the front page all submitted Offers will be opened. All Offers will be publicly acknowledged, recorded, and thereafter evaluated for appropriate levels of responsiveness and responsibility. In determining and evaluating Offers, cost and compensation will not necessarily be controlling; the experience, quality, equality, efficiency, utility, suitability, and reputation of Vendors will be considered, along with other relevant factors. Lancaster County shall make award determination as such to the Offer deemed most advantageous to the County. Upon determination of a winning Offer, a Notice of Award shall be issued and the successful Offer will be publicly posted on the County website and the successful Vendor will receive a contract.

1.3 Right to Decline

Lancaster County reserves the right to reject any and all Offers, to negotiate specific terms, conditions, and/or provisions on any contract that may arise from this solicitation; or, to waive any informalities or irregularities therein as in the best interest of Lancaster County. No contractual obligation or liability on the part of the County shall exist unless and until a final contract is executed.

Further, no attempt has been made nor will be made by any Vendor to induce any other Vendor to submit or not submit Offers based on the purpose of restricting solicitation competition.

2.8 Non-Discrimination

For the duration of the eventual contract, the successful Vendor shall agree to not discriminate against any employee or program applicant because of age, race, creed, color, nationality, ancestry, marital status, sexual orientation, gender identity or expression, disability, or sex. In addition, accordant to equal employment opportunities, the successful Vendor shall also consider all qualified applicants for employment without regard to age, race, creed, color, nationality, ancestry, marital status, sexual orientation, gender identity or expression, disability, or sex. The usual method of verification for this information would be through the Employment Verification (I-9) Form. With any submitted Offer, Vendor hereby certifies without exception that they have complied with all federal and state laws relating to immigration and reform and will continue to comply throughout the duration of any awarded contract(s). Any misrepresentation in this regard or any employment of persons not authorized to work in the United States constitutes a material breach and, in Lancaster County's discretion, may subject any contract to termination and applicable damages. At the County's request, Vendor may be requested to produce any documentation or other such evidence to verify the Vendor's compliance with any provision, duty, certification, or like while under contract.

During the performance of the scope of work covered within this solicitation the successful Vendor agrees to provide a drug-free workplace for employees; to post in conspicuous places, available to employees and applicants alike, a statement notifying the unlawful nature of the manufacture, sale, distribution, dispensation, possession, or use of any controlled substances as prohibited in the workplace, and to specify the actions to be taken against employees for the violations of such prohibited actions.

The successful Vendor shall comply with all laws relating to practice as they pertain to the state of South Carolina as well as federal regulations. Upon award of contract under this solicitation any Vendor to whom award is made must be authorized and/or licensed to do business within the state of South Carolina.

Such causes may include, but are not limited to, acts of God or public enemy, acts of Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, or embargoes; but, in every case the failure to perform must be beyond the control and without fault of the Vendor responsible for any aforementioned contractual services.
